

MGH WINES GROUP

Massani Dry Muscat

“Massani” was born in the past century, he comes from Italy to Spain to develop a new idea, a new concept of making wine. He was the winemaker who inspire us to create this wine, with his passion, his love for the life and respect for the nature, he taught us to create new wines with an old style and at the same time applying the new technics for a new age. This wine is in his honor...

TASTING NOTES

APPEARANCE

Bright and clean gold yellow colour with green notes. It shows a good glyceric tear, slipping through the walls of the glass when shaken.

SMELL

Complex aromas of white flowers and stone fruits stand out on the nose. Memories of aromatic herbs also appear, with the time, the aroma is evolving, and are perceived with greater clarity notes of very ripe fruit.

PALATE

It is long, persistent and unctuous on the palate. In the aftertaste it reminds of mineral and green walnut.

TECHNICAL FILE

Type of wine: Young white wine

Grape Variety: 100% Muscat Petit Grain

IGP: Vinos de la Tierra de Castilla

Alcohol: 13 %

Vinification:

Appreciated by Greeks and Romans, it is one of the oldest varieties of the world viticulture, and considered the finest and elegant among all types of moscatel. With this variety we have produced an exquisite, elegant and very aromatic dry Muscat. After determining the optimum time of harvesting the grapes, it is collected manually using cases of 20Kg of capacity at night, thus achieving that the fruit enters the winery in perfect conditions. Later, the grape is destemmed and macerated with its skins for 24/30 hours, extracting by gravity the flower must, which is fermented at low temperatures and under strict controls.
